

## Self Directed Online Courses

Would you like to complete a course at your own pace? Our online courses are perfect for those who want to work through a course in between work, or at their own pace. These courses are cost effective and instantly delivered upon purchase.

### **What To Expect**

After purchase you will be taken to an accounts area to create your account. Logins will also be sent to your inbox. The courses are set up with different chapters so you can do each module whenever you would like. You can leave the course at any stage and come back to continue. Great for working teams with downtime and flexibility.

The modules have different learning aspects, such as video, recorded audio, question and answer, case study and quiz type learning method.

### **Cost**

The cost of the online training courses are \$89 Inc GST.

## Frequently Asked Questions

**How long does the course stay active?** We keep the course seat open for up to 12 months to complete.

**How do I access the content?** The LMS will take you through the system and you can complete within all browsers.

**How long does the course take?** This really depends on your needs. Some courses may take a few hours to complete from start to finish, others a bit longer if you stop and start the course.

**Can we have more than one participant within the session?** It is recommended to purchase individual courses for personalised certificates, and it keeps the place where the participant last finished up. Only one login is provided per course purchase.

**Do I need to Download anything?** Nothing is needed to start the course. Everything is provided within a frame within the browser.

**How do I get my Paramount Certificate?** There is a completion certificate generated by the system. Once you have reached the end of the course contact us at [contact@paramounttraining.com.au](mailto:contact@paramounttraining.com.au) with your full name and course details for a professional certificate of completion.
