

Impactful Presentation Training

Your presentation skills can make the difference between success or failure, whether you're selling clients, persuading coworkers, or motivating a group. Effective presentation skills training can help you convey your message with power and poise, no matter the subject. It is all about communicating your message with passion and power.

This one-day training course will teach you how to present effectively and be the presenter that everyone wants to hear. We provide tools and methods to make a presentation that is effective and well-received. We will teach you how to organize and communicate effectively, as well as how to make your presentation memorable.

If you want to improve your public speaking skills and turn any ordinary presentation into something compelling and dynamic, these skills will be developed throughout this course.

Course Overview

You will spend the first part of the session getting to know participants and discussing what will take place during the workshop. Students will also have an opportunity to identify their personal learning objectives.

This workshop will help you teach participants to:

- Give presentations that inspire a change in mindsets, beliefs, and behaviors.
- Sequence and convey your information in a way that will create a meaningful journey for your audience.
- Develop a trusting relationship with your audience to open hearts and minds.
- Use techniques to get people to pay attention and retain the information you give.
- Use unique presentation techniques to make your audience feel engaged.
- Build yourself as a great presenter across all stages and steps in your career.

Introduction - Move Your Audience

First we will understand how emotion and information work together can help participants create presentations that inspire change and new behaviors.

Keep the Audience in Your Mind

Next, we will discuss the steps involved in preparing a presentation.

Designing and structuring presentations

Participants will learn the fundamental principles of structuring presentations in this session.

Content that Communicate Your Ideas

This session will teach participants about the foundations of storytelling, and then the building blocks.

Mindfulness to manage yourself

Here, participants will be guided through breathing techniques and a mindfulness schedule.

Presentation delivery techniques

In this session, participants will learn how to use your voice and non-verbal communication, including facial expressions and body language. These techniques will help you deliver a powerful presentation.

Developing your presentation skills

Participants in this session will be able to reflect on the skills and techniques that they have learned during the sessions. They will consolidate their understanding by creating a script and slide deck of their own.

Remember the 10-20-30 Rule for Slideshows

In this session participants will learn the general rule for slideshows.

Guiding Pathways to Success

Lastly, participants will learn how to enhance capability to guide and coach.

Workshop Wrap-Up

At the end of the day, students will have an opportunity to ask questions and fill out an action plan.
